Agenda Item No: 5

Historic Preservation Commission
Agenda Supplement

Meeting Date: January 5, 2017

Item: 36 N. Virginia Road Grant Disbursement

Action:
1. Vote to disburse the $500 grant
2. Continue the item
3. Vote to deny the grant disbursement

Background:

- The property manager, President of Alano Club, Jack Glynn came before the HPC on April 7, 2016 to request a Certificate of Appropriateness and Grant for work on the historic Columbus Wallace House.
- The HPC voted to reserve the $500 in grant funds for the Phase 1 portion of this project.
- The Alano Club has had the work on the foundation completed. They excavated three sides of the building. The restoration work was a larger project than originally anticipated and was completed this fall.
- Additional work on the foundation, stone walls and the windows is still required based on the multi-phases in the restoration plan.
- The City has not performed any inspections on this property for any work completed under this permit.
- The petitioner will present the payment information at the meeting.
- Photos of the work have been submitted and are attached with this report.
