Agenda Item No: 7

Historic Preservation Commission
Agenda Supplement

Meeting Date: February 1, 2017

Item: Trolley Tour Discussion

Action: Discussion Only.

Background:

- Every year the HPC plans a new trolley tour to provide education to the public about their work and the historic properties in and around Crystal Lake.
- The HPC looks for groupings of properties that can tell a story.
- Discussion revolves around the route, selection of properties, assignment of properties to various members, narrative stories about the properties, discussion about logistics, research progress, training and research assistance from the Historical Society, issues or problems with any properties, ticket sales, securing the trolleys, book organization and printing, day-of activities and responsibilities, and other general discussion about the tour.
