#2018-122
851 W. Route 176 – Special Use Permit
Project Review for Planning and Zoning Commission

Meeting Date: November 7, 2018

Request: Special Use Permit for lighting standards.

Location: 851 W. Route 176

Acreage: Approximately 309 acres

Existing Zoning: W Watershed

Surrounding Properties:
North: A-1 McHenry County
South: R-2 Single Family Residential and W Watershed
East: B-2 General Commercial and W Watershed
West: R-2 Single Family Residential and R-1 McHenry County

Staff Contact: Elizabeth Maxwell (815.356.3615)

Background:

- Existing Use: Lippold Park is owned and operated by the Crystal Lake Park District. The park features ball fields, a dog park, concessions, playground, and walking paths.
- Previous Approval: In 2008 the Park District requested a Special Use Permit to illuminate the soccer fields. That approval is attached.

Development Analysis:

General

- Request: Any park site that requires lighting or an accessory structure over 900 square feet is required to obtain a Special Use Permit. The UDO also restricts playing field lighting to a maximum of 50 feet in height. **The Soccer Federation, with permission from the Park District, is redirecting two fixtures on one light pole and adding two additional fixtures to the same pole**.
- Land Use: The land use map shows the area as Parks and Open Space. This land use designation is appropriate for this use.
- Zoning: The site is zoned W Watershed. The proposed lighting improvements will not affect the stormwater on the property and be in compliance with the Watershed requirements.

Comprehensive Land Use Plan 2020 Vision Summary Review:

The Comprehensive Plan designates the subject property as Parks and Open Space, which allows for existing and future parks and natural areas. The following goal is applicable to this request:

Land Use - Industry

Goal: Preserve, protect and enhance the City's open space and natural resources, through cooperative efforts between the City and the Crystal Lake Park District.

This can be accomplished with the following supporting action:

Supporting Action: Support the Park District in achieving its goals.
Success Indicator: Number of development applications and building permits approved for work in the parks.

Findings of Fact:

SPECIAL USE PERMIT

The petitioner has requested a Special Use Permit to allow light poles for playing fields at the subject property. Special Uses require a separate review because of their potential to impact surrounding properties and the orderly development of the City. Section 2-400 B of the Unified Development Ordinance establishes standard for all Special Uses in Crystal Lake. The criteria are as follows:

1. The use is necessary or desirable, at the proposed location, to provide a service or facility which will further the public convenience and general welfare.

   ☐ *Meets* ☐ *Does not meet*

2. The use will not be detrimental to area property values.

   ☐ *Meets* ☐ *Does not meet*

3. The use will comply with the zoning districts regulations.

   ☐ *Meets* ☐ *Does not meet*

4. The use will not negatively impact traffic circulation.

   ☐ *Meets* ☐ *Does not meet*

5. The use will not negatively impact public utilities or municipal service delivery systems. If required, the use will contribute financially to the upgrading of public utilities and municipal service delivery systems.

   ☐ *Meets* ☐ *Does not meet*

6. The use will not negatively impact the environment or be unsightly.

   ☐ *Meets* ☐ *Does not meet*

7. The use, where possible will preserve existing mature vegetation, and provide landscaping and architecture, which is aesthetically pleasing, compatible or complementary to surrounding properties and acceptable by community standards.

   ☐ *Meets* ☐ *Does not meet*

8. The use will meet requirements of all regulating governmental agencies.

   ☐ *Meets* ☐ *Does not meet*

9. The use will conform to any conditions approved as part of the issued Special Use Permit.

   ☐ *Meets* ☐ *Does not meet*

10. The use will conform to the regulations established for specific special uses, where applicable.

    ☐ *Meets* ☐ *Does not meet*

Recommended Conditions:

If a motion to recommend approval of the petitioner's request is made, it should be with the following conditions:

1. Approved plans, reflecting staff and advisory board recommendations, as approved by the City Council:
   A. Application (Crystal Lake Park District, received 09/28/18)
   B. Plan Set (USL, dated 09/17/08 and Qualite, dated 09/25/18, both received 09/28/18)

2. The playing field lights shall be turned off by 11:00 pm at the latest.

3. The petitioner shall address all of the review comments and requirements of the Community Development Department.

851 W. Route 176 – Special Use Permit & Variation
Project Review for Planning and Zoning Commission

Meeting Date: November 7, 2018

Request: Special Use Permit for lighting standards and Variation from Article 4-800 Lighting to allow a 70-foot high light pole.

Location: 851 W. Route 176

Acreage: Approximately 309 acres

Existing Zoning: W Watershed

Surrounding Properties:

Development Analysis:

General

- Request: Any park site that requires lighting or an accessory structure over 900 square feet is required to obtain a Special Use Permit. The UDO also restricts playing field lighting to a maximum of 50 feet in height, which necessitates the variation. The Park District is relocating two light poles and installing a new pole for this training field.
- Land Use: The land use map shows the area as Parks and Open Space. This land use designation is appropriate for this use.

ZONING ORDINANCE VARIATION
The petitioner is requesting a variation from Article 4-800 Exterior Lighting Standards to allow the height of a light pole to be 70 feet exceeding the 50-foot maximum height for playing fields.

The Unified Development Ordinance lists specific standards for the review and approval of a variation. The granting of a variation rests upon the applicant proving practical difficulty or hardship caused by the Ordinance requirements as they relate to the property. To be considered a zoning hardship, the specific zoning requirements; setbacks, lot width and lot area must create a unique situation on this property. It is the responsibility of the petitioner to prove hardship at the Planning and Zoning Commission public hearing.

<u>Standards</u>
When evidence in a specific case shows conclusively that literal enforcement of any provision of this Ordinance would result in a practical difficulty or particular hardship because:

a. The plight of the property owner is due to unique circumstances, such as, unusual surroundings or conditions of the property involved, or by reason of exceptional narrowness, shallowness or shape of a zoning lot, or because of unique topography, or underground conditions.

   ☐ *Meets* ☐ *Does not meet*

b. Also, that the variation, if granted, will not alter the essential character of the locality.

   ☐ *Meets* ☐ *Does not meet*

For the purposes of supplementing the above standards, the Commission may take into consideration the extent to which the following facts favorable to the application have been

established by the evidence presented at the public hearing:

a. That the conditions upon which the application for variation is based would not be applicable generally to other property within the same zoning classification;

☐ *Meets* ☐ *Does not meet*

b. That the alleged difficulty or hardship has not been created by any person presently having interest in the property;

☐ *Meets* ☐ *Does not meet*

c. That the granting of the variation will not be detrimental to the public welfare or injurious to other property or improvements in the neighborhood in which the property is located; or

☐ *Meets* ☐ *Does not meet*

d. That the proposed variation will not impair an adequate supply of light or air to adjacent property, will not unreasonably diminish or impair the property values of adjacent property, will not unreasonably increase congestion in the public streets, substantially increase the danger of fire or otherwise endanger public safety.

☐ *Meets* ☐ *Does not meet*

Where the evidence is not found to justify such conditions, that fact shall be reported to the City Council with a recommendation that the variation be denied.

Recommended Conditions:

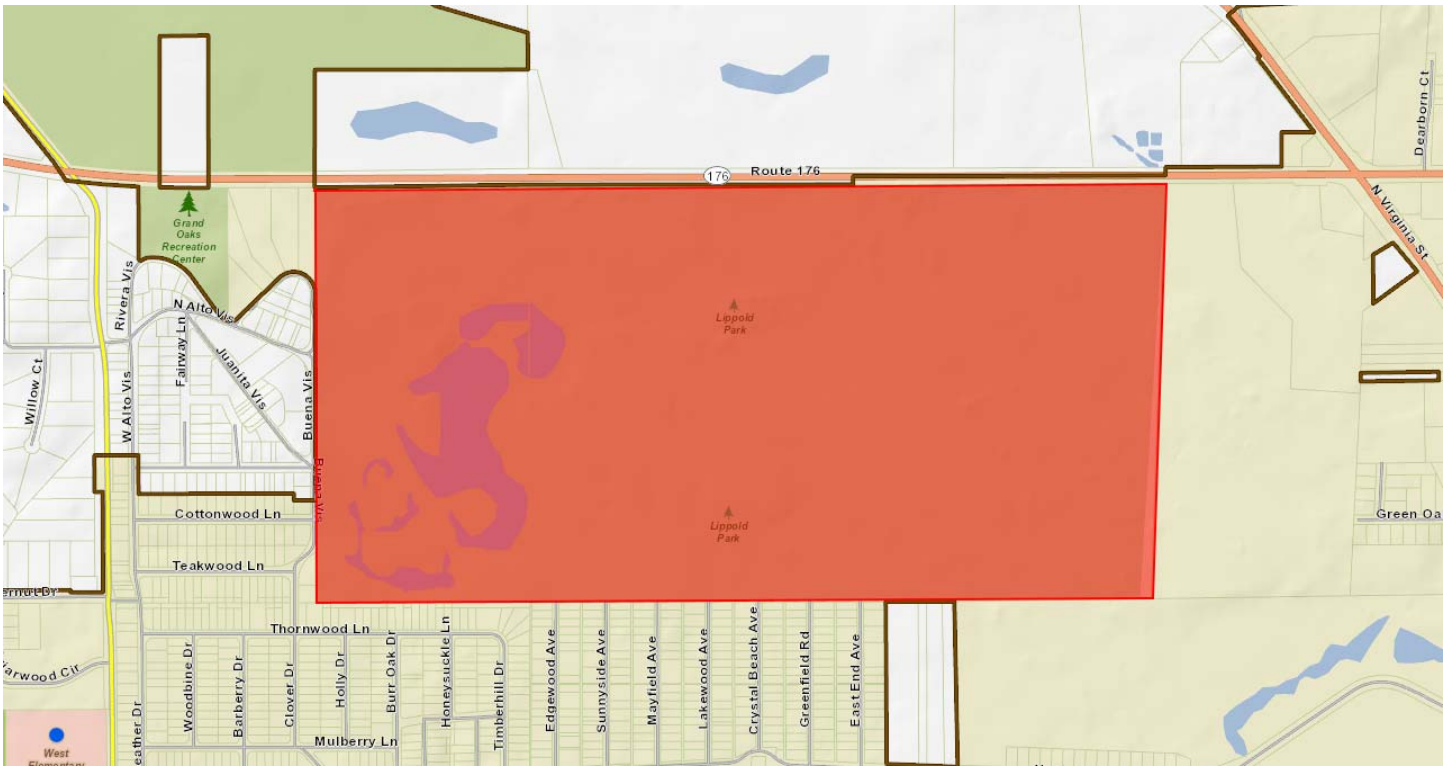

If a motion to recommend approval of the petitioner's request is made, it should be with the following conditions:

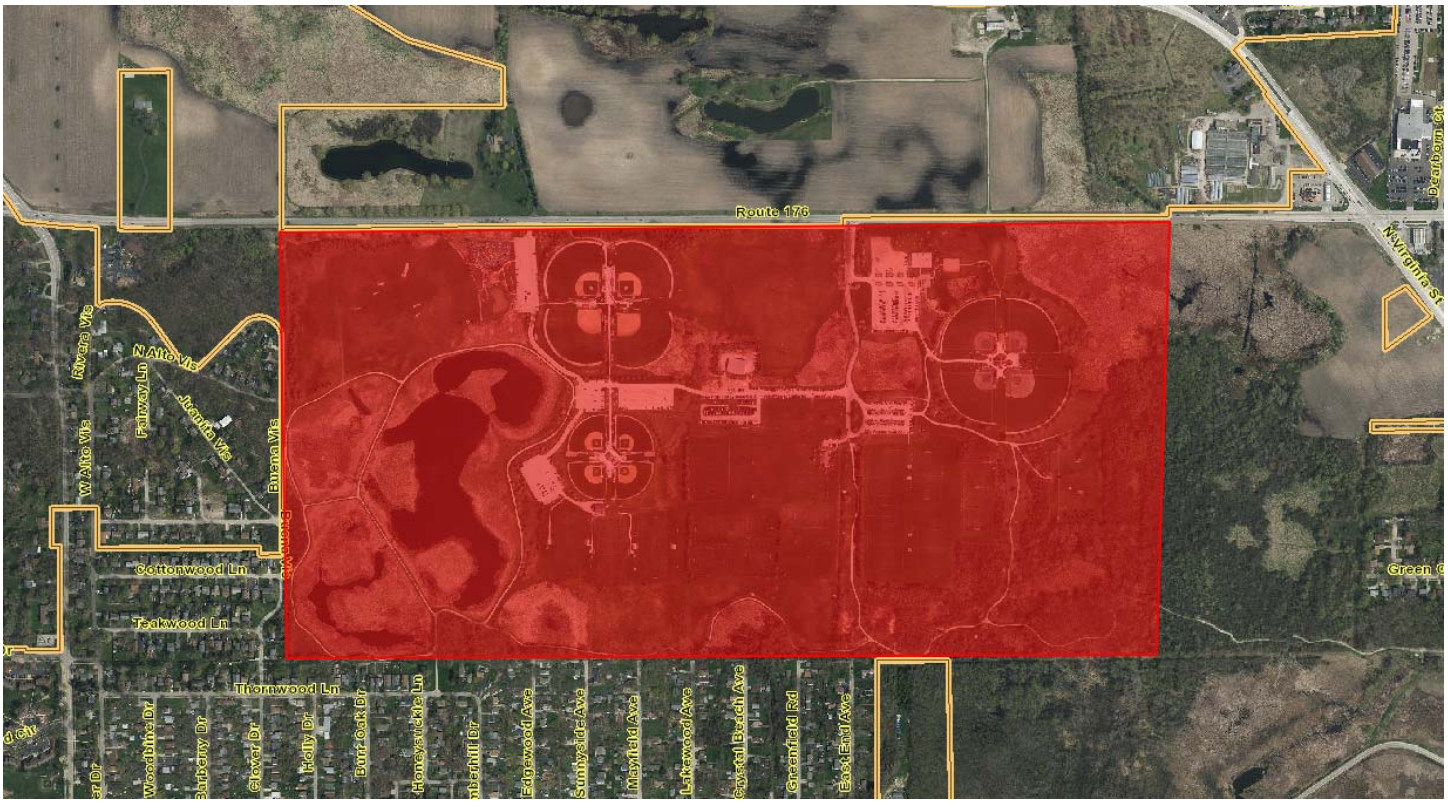

1. Approved plans, reflecting staff and advisory board recommendations, as approved by the City Council:
   A. Application (Crystal Lake Park District, received 09/28/18)
   B. Plan Set (USL, dated 09/17/08 and Qualite, dated 09/25/18, both received 09/28/18)

2. The playing field lights shall be turned off by 11:00 pm at the latest.

3. The petitioner shall address all of the review comments and requirements of the Community Development Department.

Dear Ms. Viger:

This letter will serve as formal notification that at the July 1, 2008 regular City Council meeting, the Mayor and City Council of the City of Crystal Lake reviewed your request for a Special Use Permit for lighting standards; and Zoning variation (Section 4.4-11) to allow 70-foot high light poles for Crystal Lake Park District/Soccer Federation at Lippold Park (951 W. Terra Cotta Avenue).

The Council adopted a motion: (1) approving the Planning and Zoning Commission recommendations; (2) approving the Special Use Permit and variation; and (3) adopting an ordinance granting the Special Use Permit and variation. A copy of the relevant ordinance is enclosed.

Should you have any questions or concerns regarding this matter, please feel free to contact us.

Very truly yours,

FILE NO. 440

AN ORDINANCE GRANTING A SPECIAL USE PERMIT AND VARIATION AT 951 W. TERRA COTTA AVENUE

WHEREAS, pursuant to the terms of a Petition (File #2008-31) before the Crystal Lake Planning and Zoning Commission, the Petitioner has requested the issuance of a Special Use Permit for lighting standards; and a Zoning variation from Section 4.4-11 to allow 70-foot high light poles for the property located at 951 W. Terra Cotta Avenue; and

WHEREAS, it is in the best interests of the CITY OF CRYSTAL LAKE that the Special Use Permit be issued as requested in said Petition.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF CRYSTAL LAKE, McHENRY COUNTY, ILLINOIS, as follows:

Section I: That a Special Use Permit for lighting standards; and a Zoning variation from Section 4.4-11 to allow 70-foot high light poles for the property commonly known as 951 W. Terra Cotta Avenue, Crystal Lake, Illinois.

Section II: Said Special Use and Variation are issued with the following conditions:

1. Approved plan, to reflect staff and advisory board comments, as approved by the City Council:
   A. Application (Crystal Lake Park District, received 05/20/08).
   B. Park Master Plan (Crystal Lake Park District dated 05/08, received 05/20/08).
   C. Lighting cut sheets (Midwest Underground Technology, dated 05/16/08, received 05/20/08).
   D. Lighting photometrics (USL, dated 05/05/08, received 05/20/08).

2. A Variation from Sections 6.3-3 and 4.4-11 to allow light poles in excess of 35 feet in height, not to exceed 70 feet, is hereby granted.

3. Be advised that a public water main is located in the general area of the soccer club house. Work with staff to avoid any utility conflicts.

RECEIVED
