STRUCTURE FIRE – 287 CORRINE AVE

Crystal Lake, IL – At 7:29 PM, the Crystal Lake Fire Rescue Department was dispatched to the report of a structure fire at 287 Corrine Avenue in Crystal Lake, IL. All occupants of the home had evacuated prior to the arrival of the fire crews. At 7:34 PM, the first arriving Crystal Lake Fire Rescue unit reported smoke coming from upper floor of a tri-level home. A mutual aid request was made for additional apparatus and manpower through the Mutual Aid Box Alarm System (MABAS).

Entry was made into the home for fire suppression of a room and contents fire in a bedroom on the upper level. Fire crews quickly extinguished the fire and began checking for any extension into the attic and adjoining rooms. The fire was declared under control at 7:56 PM and there were not any injuries to the occupants or firefighters on the scene.

The cause of the fire is under investigation by Crystal Lake fire investigators. Damage to the structure and contents is estimated between $20,000 and $25,000.

Algonquin/Lake in the Hills FPD, Barrington Countryside FPD, Carpentersville FD, Huntley FPD, McHenry Township FPD, Cary FPD, Marengo FPD, and West Dundee FD assisted at the scene or provided station coverage.
