WATER AND SEWER UTILITY BILL NEW LOOK

Beginning in February, City water and sewer customers will see a change to the look of their monthly utility bills. The new utility bill design will feature a clean, user-friendly look and still maintain all of the same important account information as in the past. One added feature is a graph displaying 13 months of water consumption history for the account, allowing for comparability to the prior year. Only the utility bill design has changed, charges have not been altered. Watch your mailbox in February for the new utility bill format. If you have any questions on your water bill, please contact the Finance Department at 815-459-2020 or via email at finance@crystallake.org.

Utility bill payments can be made online by visiting www.crystallake.org/your-government/departments/finance/water-and-sewer-billing/payment-options. Payments can also be deposited in a payment box located in the parking lot at City Hall, or by mail.

POLICE DEPARTMENT

COVID-19 VACCINE SCAMS

If you get a call, text, email, or someone knocking on your door claiming they can get you early access to the vaccine, you should be aware that this is a scam. Do not pay for a promise of vaccine access or share personal information.

Here's what you need to know to avoid a vaccine-related scam:

- You likely will not need to pay anything out of pocket to get the vaccine during this public health emergency.
- You can't pay to put your name on a list to get the vaccine.
- You can't pay to get early access to the vaccine.
- No one from a vaccine distribution site or health care payer, like a private insurance company, will call you asking for your Social Security number or your credit card or bank account information to sign you up to receive the vaccine.

Beware of providers offering other products, treatments, or medicines to prevent the virus. Check with your health care provider before paying for or receiving any COVID-19-related treatment.

SUPER BOWL SUNDAY

The 55th National Football League's Super Bowl will take place on Sunday, February 7, 2021. If you plan on watching the game with alcoholic beverages, be sure to make good decisions.

The Crystal Lake Police Department along with other law enforcement agencies will be participating in a state-wide traffic enforcement campaign sponsored by the Illinois Department of Transportation (IDOT) to encourage everyone to please drink responsibly and avoid getting behind the wheel of a vehicle if you have consumed any alcohol or used marijuana. If you see someone getting into a vehicle who appears impaired, please do not hesitate to dial 911, you may save a life.

SHOP WITH A COP

On Sunday, January 10, 2021 several Crystal Lake and other law enforcement officers from surrounding agencies took part in the annual Shop with a Cop event. Shop with a Cop gives many underprivileged children from McHenry County a positive interaction with law enforcement officers by going holiday shopping. Thank you to all sponsors, volunteers, and officers for helping make a child's holiday merrier.

OPERATION STOP ON SIGNAL

Operation Stop On Signal was created in response to the high occurrence of bus stop arm violations reported to the Police Department. The goal of this program is to avert potential tragedies that may result from vehicles not obeying bus stop arms. Police officers ride along on specific bus routes that experience a high number of violations and report offenses directly to officers waiting in squads nearby.

FIRE RESCUE DEPARTMENT

FEBRUARY IS AMERICAN HEART MONTH

Keep yourself aware by knowing the symptoms of Heart Attack and Stroke:

Heart Attack Symptoms

- Chest Discomfort: Most heart attacks involve discomfort in the center of the chest that lasts for more than a few minutes, or that may go away and return. The pain can feel like an uncomfortable pressure or squeezing pain.
- Discomfort in other Upper Body Areas: Another symptom may be pain or discomfort in one or both arms, back, neck, jaw, or stomach.
- Shortness of Breath: May occur with or without chest discomfort.
- Other Signs: Possible cold sweats, nausea, or lightheadedness.

Stroke Symptoms

- Face Drooping: Ask the person to smile; a face that is numb or drooping on one side may be a sign of stroke.
- Arm Weakness: If one arm is weak or numb and drifts downward upon lifting both arms.
- Speech Difficulty: Slurred speech or inability to speak may indicate stroke. Ask the person to repeat a simple sentence such as "the sky is blue" and see if they repeat it correctly.
- Call 9-1-1: If a person shows any of the symptoms above, even if the symptoms go away, dial 9-1-1 and get them to a hospital immediately.

WINTER ACTIVITY ICE SAFETY

This time of year, we are all craving some fresh air. Unfortunately, the cold temperatures and snowy weather can sometimes limit what we are able to do. If you plan on spending any time on the ice, please be aware of the dangers and follow the below tips to stay safe:

- NEVER go out on the ice alone.
- Make sure ice is at least 4 inches thick before stepping on it. Check multiple spots, as thickness may vary.
- Remember white ice or "snow ice" is only half as strong as new, clear ice.
- When out on ice, wear a life jacket and bright colored clothing. Also carry a rope, flotation device, and blankets in case someone falls through the ice.

THREE OAKS RECREATION AREA

PARK HOURS AND TRAIL SYSTEM HOURS

Open daily 6:30 a.m. to Sunset year-round.

PAVILION RENTAL RESERVATIONS

All pavilions are reserved on a first-come, first-served basis. Online reservations are now being accepted. Staff will help you create an online account to aid in future rentals online.

When renting a pavilion, renters will be asked to sign a rider acknowledging that should federal and state health agencies require a limitation on the number of people to gather on the scheduled rental date, the City will offer options regarding the reservation. The 2021 Pavilion Rental Rider is available at www.crystallake.org/three-oaks-recreation/pavilion-rentals.

The City cannot guarantee Pavilions B (Island) and D (North Lake Pavilion) will be available for rental for Summer 2021. If you would like to rent either of these pavilions, please complete the Pavilion Rental Rider form, which can be found on the Three Oaks Recreation Area website.

HOW TO RESERVE A PAVILION

You have two options to reserve a pavilion. Visit our website at www.crystallake.org/three-oaks-recreation/pavilion-rentals and click on the Online Rental Portal link, or visit City Hall.

- You will need to create an account on the portal.
- You will be able to check pavilion availability and submit a request for your pavilion rental.

Important Note: Your pavilion will not officially be reserved until it has been approved by staff and payment has been received. All deposits and rental fees must be paid within 24 hours of your pavilion request approval. If all payments are not received within 24 hours, the reservation will not be accepted. Credit cards are the preferred form of payment.

All details (size of pavilions, locations, fee schedule, amenities) and related FAQ forms are available on our website at www.crystallake.org/three-oaks/recreation under the Pavilion Rentals tab. Should you have any questions, please contact City staff at (815) 459-2020, ext. 4288.

QUARRY CABLE PARK

The Quarry is excited to welcome back our Quarry guests! Since all of us deserve something to look forward to, here is a preview of 2021 at the Quarry:

The Lakeside Bar & Grille are slated to open early May and the wakeboard cables are scheduled to open by mid-May. Also, specific details for wakeboard lessons, summer camps, Points Chase competition, sand volleyball & baggo leagues will follow as soon as possible with the newest State of Illinois COVID guidelines.

We will continue to host Artisan markets that feature a wide-range of artists from the local community and Chicagoland area. This year we are thrilled to present three Artisan markets for you to enjoy. New to the calendar will be our Mother's Day Market Friday and Saturday May 7-8, 2021. Enjoy specialty beverages or a bite to eat on our patio, and find the perfect gift for mom.

Our Oktoberfest will be held September 17-18, 2021, and will include German music, food, brews and a small selection of specialized vendors selling steins and fall themed decor. The annual Merry Market is now a November event and will be November 5-6, 2021. The Merry Market is a unique event to sip and shop with friends and family.

We invite you to save the dates and come experience the Markets and Oktoberfest at the Quarry!

If you are interested in hosting a private event at the Quarry in 2021, please visit the Quarry website: www.thequarrycablepark.com and complete an Event Inquiry under the Private Events tab.

THE PINEMOOR HOTEL

BY DIANA KENNEY

The Pinemoor Hotel opened in 1921 to serve vacationers and honeymooners. It was located on Lake Street (behind the First Congregational Church). The Pinemoor was appropriately named, as the hotel was surrounded by a stand of pine trees. The original portion of the hotel was the large Cassidy family home. An addition was added to the home, creating 20 hotel rooms for guests. An early advertisement boasted the hotel had running water, and was "modern in every respect". In 1924, the Cassidy sisters, Alice and Grace, sold the hotel to Louise Schlack of Chicago.

Louise Schlack was the mother of Dr. Otto Schlack, a Chicagoan who reportedly served as a physician for the Chicago Crime Syndicate and would send patched-up, wounded mobsters out to The Pinemoor to recover. Dr. Schlack's older sister, May ran the hotel. In 1936, May Schlack described the hotel as having "plenty of space to relax with a large garden screened from view, yet overlooking the lake, comfortable deck chairs and beautiful garden furniture."

Ernie Riehl (CLCHS Class of 1932) bought the hotel from the Schlacks in 1951. Harry Schnell was the hotel manager. By this time, the "hotel" was more of a rooming house. Rooms were available for rent on the second floor. It was common knowledge among locals that gambling options were also available at the Pinemoor. It is said there was a bookie in one of the upstairs rooms, and illegal slot machines were onsite, courtesy of local gangster, Louis Cernocky (CLCHS Class of 1928). Drinks, but no food, were served at the Pinemoor.

Schnell decided to open up the kitchen and serve ham sandwiches. In 1952, a new food known as "thin crust pizza" was added to the menu. One report claims Schnell got the recipe from Rae Pentozzi who worked at the Pinemoor and she got it from some Italian friends. Another history credits Harry's wife, Virginia, with the recipe.

Harry Schnell purchased the Pinemoor from Ernie Riehl in 1962. In May of 1965 for the observance of Tavern Month, the Pinemoor served a chicken dinner for two with a pitcher of Hamm's beer for $3 on weeknights. The Pinemoor had a bar and restaurant that went through 22,000 gallons of Old Style a year. The cherry wood bar was long enough to fit 25 bar stools and the Pinemoor became "the" place for locals to meet up for food and drink.

In 1971, Dick Trownsell, Harry Schnell's stepson, took over the Pinemoor business. On April 28, 1982 a disastrous fire swept through the Pinemoor, leaving it uninhabitable. At the time, the second floor of the building housed 7 small apartments with kitchenettes. It was determined that an unattended space heater was the source of the fire. Most of the structure was destroyed, although Trownsell was able to save the cherry wood bar, later selling it to a Chicago furniture restorer. Its whereabouts are now unknown. The Pinemoor Hotel's 50 year legacy had ended, although Pinemoor Pizza continues today at its location in the Crystal Lake Plaza.

TIPS FOR DIGGING SAFELY

As we start seeing the end to winter, it is a good opportunity to start planning for upcoming spring projects. Landscape improvements add beauty and value to your home. However, before digging on your property, contacting JULIE (Joint Utility Locating Information for Excavators) is required. Many utility services including electric, gas, water, sewer, and telecommunications are buried under your yard. To avoid personal injury and damage to those underground lines, state law requires you to contact JULIE before starting any digging projects. JULIE is a not for profit organization and calling for JULIE services is free to excavators and homeowners.

After contacting JULIE ensure your property is accessible. Within two working days after your initial contact, a representative from each member utility company will either mark the location of their underground line with paint or flags or contact you explaining that their lines are not in conflict with your planned excavation area. The utilities are only required to mark the lines that they own, not privately installed utilities such as connections to a garage workshop. Once a JULIE member marks their lines you will notice each flag has a different color as the following indicates:

You'll know what's below by the different flags, stakes or paint.

- **Red -** Electric
- **Yellow -** Gas, oil or petroleum
- **Orange -** Communications
- **Blue -** Potable water
- **Purple -** Reclaimed water, irrigation
- **Green -** Sewer
- **White -** Proposed excavation
- **Pink -** Temporary survey

Your excavation cannot begin before the start time on your locate request even if all utility lines are marked. The start time is typically two business days after your initial contact with JULIE. Additionally, your digging project must begin within 14 days of your initial contact with JULIE.

Once the excavation begins if you believe you may have hit an underground line, leave the area and immediately call 911 and/or the appropriate emergency responder. In addition Illinois law requires the excavator to call JULIE and the owner of the damaged utility.

JULIE's contact information is 811 or 1-800-892-0123. JULIE's call center agents are available to receive and process requests 24 hours a day, seven days a week. In addition, E-Request is a popular, online option for homeowners at www.illinois1call.com.
