City of Crystal Lake, Illinois
CITYLETTER

NATIONAL NIGHT OUT THURSDAY, AUGUST 5, 2021

National Night Out is an annual community building campaign that is held throughout the United States on the first Tuesday of August. In partnership with the community, local police promote a safer environment for everyone.

National Night Out 2021 will be held on Thursday, August 5, 2021 in Downtown Crystal Lake on Williams Street (between Brink Street and Crystal Lake Avenue) from 5:00 p.m. to 8:00 p.m. Watch the Crystal Lake Police Department's Facebook page for more details about this free family event!

This year's event will feature:

- Police Vehicles on Display
- Police Canine Demonstrations
- Fire Rescue Vehicles on Display
- Dunk Tank
- Face Painting and Temporary Tattoos
- Food from Downtown Crystal Lake Vendors
- Games - Contests - Prizes!

POLICE DEPARTMENT

BACK TO SCHOOL SAFETY

School will be back in session this month and we want motorists to be focused on the road while driving. Please be aware of the school zones, crosswalks, crossing guards, and school bus stop signals.

While a school bus is stopped in traffic and children are loading or unloading, it is against the law to pass the bus in either direction while the bus' stop sign is out.

Illinois makes an exemption on a highway having 4 or more lanes that have at least 2 lanes of traffic on both sides, the driver is only required to stop for the school bus if he/she is traveling in the same direction.

FOUR-LANE HIGHWAY

OPERATION LIFE SAVER

The Crystal Lake Police Department is proud to be a partner in the Operation Lifesaver Program. Operation Lifesaver is a non-profit, international continuing public education program first established in 1972 to end collisions, deaths and injuries at railroad grade crossings and on railroad rights-of-way. The Department conducts both education and enforcement campaigns as part of the program. It is the goal of the Police Department to keep you safe, but we need your help. By practicing safe habits, you will be setting an example for those around you to follow.

Safety Tips:

- Never walk, run, play or take pictures on the railroad right-of-way. If you are near the tracks, you are trespassing on private property.
- Never attempt to outrun an approaching train. It can take a train a mile or more to stop.
- Never drive or walk around lowered crossing gates.
- Always remember that the average train is three feet wider than the track on each side.

OPERATION LIFESAVER
Look, Listen & Live

CRIME PREVENTION TIPS FOR YOUR HOME

The National Crime Prevention Council (NCPC) offers the following crime prevention tips that can help prevent crime at home.

- Consider installing motion-sensored lighting that will come on if someone is walking around your yard. Outside doors should have a motion-sensored, bright, working light to illuminate visitors.
- All entryways should have a working, keyed entry lock and sturdy deadbolt lock installed into the frame of the door.
- Keep bushes and trees trimmed so that you can see into your yard and neighbors can see your house.
- Look into an alarm system. A basic system can be purchased for less than $100, plus a monthly monitoring fee.
- Keep spare keys with a trusted neighbor, not under a doormat or planter, on a ledge, or in the mailbox.
- House numbers should be clearly displayed so police and other emergency vehicles can find the house quickly.
- Set at least two light timers to turn lights on and off in a logical sequence when away from home for an extended time period.
- Make sure sliding glass doors have strong, working key locks. A dowel or a pin can be installed to prevent the door from being shoved aside or lifted off the track. Lock the sliding door at night and when leaving the house.
- Stop mail and newspaper deliveries or make arrangements for a neighbor/friend to pick them up when going away from home for a period of time.

BE ON ALERT FOR HOME REPAIR SCAMS

In the summer months, Crystal Lake and neighboring communities experience more "ruse" type residential burglaries. A "ruse" burglary is considered a crime of deception often involving people posing as workers, repairmen, city employees or other type of service employee (seal coating/roofing), sometimes wearing a reflective orange vest. These individuals distract homeowners (often senior citizens) while several other people enter the home and search for cash and jewelry to steal. In the most recent case, the individual claimed to work for a seal coating company and needed access to the residents' home for water.

You should always ask to see identification before allowing anyone access to your residence especially if you did not make an appointment with that company and this is an unplanned visit. All City employees carry identification. We also encourage all residents to contact the utility company or department they represent to confirm the information they are providing. If you suspect this is a ruse, contact the police immediately. Even if you turn them away, we ask you contact us, as they will prey on your neighbors.

These types of crimes typically target the elderly. Please share with your neighbors, friends and family and help us get the word out about these crimes. This is again, not specific to Crystal Lake and occurs throughout the region. As always, if you see something say something.

FIRE RESCUE DEPARTMENT

HOME SAFETY TIPS FOR SENIORS:

- Have working smoke detectors and carbon monoxide detectors. Check once a month and replace according to manufacturer's directions.
- Have all outside entry ways lit.
- Have emergency information available (medications and medical allergies) on your person and visible in your house.
- Clearly label all medications.
- Make sure all portable heating units are at least 3 feet away from combustible materials.
- Have a phone near or on you in case of a fall. Have 911 and emergency contact numbers programmed in your phone.
- **Have an escape plan in case of fire:**
  Have a clear path to all exits.
  Practice getting out safely.
  Call 911 from a neighbor's house.

In bathroom:

- Use non-slip rugs that lay flat.
- Have grab bars, rubber mats or non-slip strips in shower and tub.

In bedroom:

- Keep house keys, eye glasses, a flashlight and phone next to your bed.
- Have path to bathroom well lit and free of clutter.

BACK TO SCHOOL SAFETY:

August is back to school month! This means we need to remember to watch for school buses and children, and be conscious of school speed zones and busy crosswalks.

- Share the road with school buses.
- Don't block crosswalks.
- Yield to pedestrians in crosswalks.
- Take extra caution in school zones.
- Never pass a vehicle stopped for pedestrians.
- Never pass a bus loading or unloading children.
- Stop far enough back to allow children to safely enter and exit the bus.

CRYSTAL LAKE FIRE RESCUE DEPARTMENT
(815) 356-3640

THREE OAKS RECREATION AREA

AUGUST HOURS OF OPERATION *

August 1 – August 8:
Park & Marina Hours: 6:30 a.m. to Sunset
Beach Hours: 10:00 a.m. to 6:30 p.m.

Weekdays August 9 – September 3:
Marina Hours: 3:30 p.m. to Sunset
Beach Hours: 3:30 p.m. to 6:30 p.m.

Weekends August 14 – September 6:
Park & Marina Hours: 6:30 a.m. to Sunset
Beach Hours: 10:00 a.m. to 6:30 p.m.

* Hours are subject to change. Please check our website before heading to the park.

SPLASH PAD, PLAYGROUND AND PICNIC GROUNDS

Located in the Lake House complex, the splash pad is a special treat for toddlers and younger children, with ground-based water jets that spray into the open air while buckets of water are poured overhead. The playground is equipped with memory-foam decking, located in the Lake House complex adjacent to the splash pad. A seating area with tables and an overhead pergola for parents to rest and watch their children at play while having some shade is immediately adjacent to the playground.

PICNIC GROUNDS

Grassy sections of property are adjacent to the beach, surrounding the playground and splash pad for guests to sunbathe, picnic and play. Large overhead tent and picnic table units are available on a first-come, first-served basis. Alcoholic beverages are prohibited.

PAVILION RENTAL

Pavilion rentals will operate in accordance with all applicable rules and regulations. Pavilions are reserved on a first-come, first-served basis.

To reserve a pavilion, please complete the following steps:

- Click the pavilion rental portal at www.crystallake.org to check pavilion availability and request a rental.
- Create an account on the portal to access at any time.
- City staff will review your rental and either approve or reject the request.
- Pay online within 24 hours of staff approval.

Payment will only be accepted with a credit card. Both the pavilion deposit and rental fee are due at the time of the reservation. The reservation is nontransferable. Pavilions cannot be reserved until rental requests have been approved by City staff and payment is received. All deposits and rental fees must be paid within 24 hours of pavilion request approval. If all payments are not received within 24 hours, the reservation will not be accepted.

BOAT RENTAL

Kayaks, canoes, paddle boats and row boats are available at the Marina. Operation of the boat rentals will be in accordance with all applicable rules and regulations.

All rentals are available on a first-come, first-served basis as no reservations are accepted. Three Oaks provides all required life jackets and seat cushions with rentals.

The following rules apply to all guests:

- Three Oaks issued life vest/PFD must be worn at all times.
- Customers must remain in the watercraft at all times – no swimming or wading from any boat.
- Access to the islands or shorelines is prohibited - guests must remain in the boat at all times.
- Alcohol is not permitted.

PARK PARTNERS

The Cottage on the Beach, located in the Lake House, offers hamburgers, hot dogs, sandwiches, nachos, frozen treats and more!

The Quarry Cable Park and Grille are open! Please visit www.thequarrycablepark.com or call (815) 893 -0036.

Stand-Up Paddle Boards can be rented through The Board House. Please visit www.alpineaccessories.com/theboardhouse.html or call 847-943-7043.

PICTURE SUBMISSIONS

The City encourages park guests to submit pictures taken enjoying the park. With permission, submissions received will be featured on the Three Oaks Facebook page and in the City Newsletter.

HOW CAN OUR RESIDENTS HELP OUR WASTEWATER SYSTEMS?

Only toilet paper and human waste are safe to flush down the toilet or drain. Wipes, paper towels, baby wipes, napkins, tissue and other non-toilet paper products do not break down like toilet paper, and can clog our sanitary sewer systems that could lead to sewer backups. This includes products that are labeled as 'disposable'.

The system accommodates toilet paper, which is made to disintegrate quickly in water. However, wipes, diapers and other materials, which do not break down as readily, tend to clog pipes. That could mean sewer backups into the homes of residents or neighbors as clogs form down the line, which can be costly to unclog.

GENTLE REMINDERS

BY DIANA KENNEY

Crystal Lake is filled with gentle reminders about our past. These reminders are found in our historic buildings which are sprinkled throughout the community. The Kelder House, 284 Virginia Street (Route 14) is one such reminder. The house is nestled between a Mexican restaurant and auto parts store and is now home to a mortgage company. Although Virginia Street today is filled with fast food restaurants, banks, gas stations and stores, it was once less congested and lined with farms, open space, barns, and homes.

In 1927, at age 47, Peter Herman Kelder purchased eight acres of land on Virginia Street with plans to move his family from Chicago to the "country" and start a new career as a farmer. Construction started on his brick and frame home in 1928. Unfortunately, Peter's wife Annette died before the house was complete. Despite this, Peter moved forward with his plans for a new life in Crystal Lake.

1929 Photo - The chimney pots and bracketed entry hood over the front door are the primary decorative flourishes of the Craftsman-style Kelder House

Peter grew a variety of crops on his farm, including asparagus, lima beans, string beans, melons, tomatoes and berries. He raised chickens in his 15' x 50' poultry house and at one point had an apiary (beehouse) too. A 1932 Crystal Lake Herald article reports, "Persons who planted asparagus this season have a mark to shoot at if their harvest comes up with a stalk on display at the Herald office and grown by P.H. Kelder. The stalk is about 22 inches high, almost 2 inches wide, and has a graceful twist."

On June 26, 1931, Peter married Johanna Kaiser. The couple lived in the house that Peter built just a few years before, raising Peter's young children from his first marriage and adding one more son, Samuel, to the family in 1933. Johanna and Peter made a great team as they grew, harvested, canned, preserved, and sold their bountiful harvests.

Not only were Kelder's vegetables known and enjoyed locally, they also received world-wide recognition! The November 1, 1934 Crystal Lake Herald reported that, "Peter H. Kelder won first place on an exhibit of lima beans at Harvest Week at A Century of Progress. Mr. Kelder received an official commemorative World's Fair medal with, 'First place, lima beans, P.H. Kelder' engraved on it."

In addition to farming, Peter enjoyed sports and recreation. He was an excellent ice skater, always willing to race (and win) on the frozen ice. He also was a champion horse-shoe pitcher, competing at the horse shoe pits behind the Congregational Church.

The Kelder's time in Crystal Lake was filled with service. Peter served on the Crystal Lake City Council, under Mayor George Krause, from 1941 to 1953. During WWII he showed local citizens how to grow their own Victory Gardens while four members of his immediate family were serving in the military. Sons Harold (Army Air Corps), Peter Jr. (Army Infantry) and daughter Celia (Army Nurses Corps) served overseas. His wife, Johanna, a former nurse, was called to work at the Presbyterian Hospital in Chicago, enabling the younger nurses on staff to serve overseas.

1932 Photo - Peter and Johanna Kelder

Peter Kelder died in 1957. Johanna died in 1968. The Kelder land was subdivided in the early 1970s and parceled off to businesses such as Pizza Hut. Despite the town growing up around it, the Kelder House remains on Virginia Street, serving as a gentle reminder of our community's past when farms, barns, and open space occupied today's Route 14.

About the Author: Diana Kenney is Executive Director of Downtown Crystal Lake/Main Street, is an appointed member of the City of Crystal Lake's Historic Preservation Commission, and is President of the Crystal Lake Historical Society.

IMPORTANCE OF PROPER SUMP PUMP CONNECTION

Have you ever wondered where all that rain water goes? It flows to places like drainage ditches and ponds, street drains, downspouts and gutters, as well as nearby storm sewers. Did you ever wonder what keeps the groundwater from entering your basement? A stormwater sump pump.

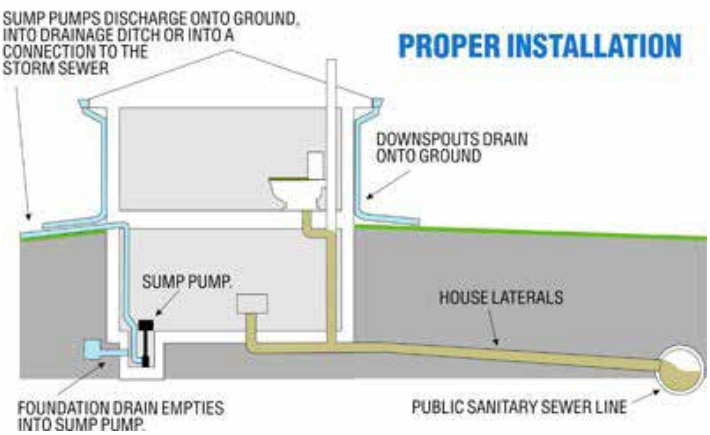

Modern homes are constructed with what is commonly referred to as a stormwater sump pump. This piece of equipment is responsible for keeping rising groundwater surrounding your foundation from entering your home and causing flooding or property damage.

Where does the stormwater sump pump take all that groundwater? The common places for a stormwater sump pump to discharge are either outside on the ground itself, drainage ditches and ponds, or a storm sewer connection. One place the groundwater should never be discharged to is the sanitary sewer.

Sanitary sewers are a closed pipe system that shouldn't be affected by rainfall or groundwater, but when stormwater sump pumps are connected to the sanitary system, thousands of gallons of additional water are directed into the sanitary sewer system. This connection is a violation of State and Federal environmental regulations, as well as City ordinance, and can compromise sewer capacity, which can contribute to wastewater backups and flooding inside homes and businesses.

A connection of this type also causes more water to flow to our wastewater treatment plants. When the plant must process this additional water, its ability to effectively process all of the wastewater could be compromised and operating costs increase.

The City is asking for help from its residents and business owners to relocate all stormwater sump pump connections from our sanitary sewer system. Make sure that your stormwater sump pump is discharging to an approved connection and not your sanitary plumbing. If you are unsure and need assistance with identifying the connection point of your stormwater sump pump, then please feel free to contact the Public Works Water & Sewer Division at 815-356-3614.

BRUSH DROP-OFF SITE

The City's Brush Drop-Off Site, located at 410 S. Main Street, is open on the first and third Saturday of each month from 8:00 a.m. to 1:00 p.m., April through November. Proof of residency, such as a driver's license or vehicle sticker is required to drop-off brush at the site.

Brush must be six inches or less in diameter and six feet or less in length to be accepted. Other materials, such as bagged leaves and grass, cannot be accepted at the site. Please contact Prairieland Disposal at 847-381-9300 if you have other materials that need disposal.

DEPOT PARK WATER FOUNTAIN

Did you know there is a fountain in Depot Park to help you and your four-legged friends stay cool in the summer heat? The fountain is located on the north side of the gazebo, next to the train station parking lot.

CRYSTAL LAKE & PINGREE ROAD STATIONS STRATEGIC ACTION PLAN: OPEN HOUSE AUGUST 12, 2021

The City of Crystal Lake and the Regional Transportation Authority (RTA) are excited to announce the release of the draft Crystal Lake & Pingree Road Stations Strategic Action Plan. The draft Plan creates a long-term vision for the areas surrounding the Crystal Lake and Pingree Road Metra Stations. The draft Plan's goals, objectives, and land use and transportation recommendations will serve as a roadmap for the City and its partners to improve the two station areas over the next ten years. The draft Plan also contains illustrative development visualizations that demonstrate development potential and highlight key concepts and strategies for land use and development, access and mobility, and other improvements for three key sites. Anyone wishing to provide feedback on the plan throughout the process is encouraged to visit www.hlplanning.com/portals/crystallake/send-feedback/.

The City will be hosting a Community Open House regarding the Draft Plan on August 12, 2021 at City Hall (100 West Woodstock Street) from 4:00 p.m. to 7:00 p.m. in the City Council Chambers. Community members are encouraged to attend the Open House and provide input about the draft Plan. Please visit the project website to review the draft Plan and learn about upcoming opportunities to participate: www.hlplanning.com/portals/crystallake/.

A Virtual event is also scheduled on August 12th from 10:00 a.m. to 11:00 a.m. via Zoom which can be accessed through this link. https://us02web.zoom.us/j/81454640069?pwd=YTlSMk5WdHRjV3BTQnpHeFZLU1pudz09
Meeting ID: 814 5464 0069 Passcode: 629283

REFUSE, RECYCLING AND YARD WASTE UPDATE

Prairieland Disposal has been purchased by GFL Environmental, Inc., a national waste collection company. The City's garbage, recycling and yard waste collection will continue to be performed by Prairieland trucks and staff. Residents will receive additional information from Prairieland Disposal and GFL Environmental regarding billing information in the coming months. The monthly rates for refuse, recycling and yard waste collection will remain unchanged.

For any service or billing related issues, please contact Prairieland Disposal at (847) 381-9300.

2021 VEHICLE STICKERS

Vehicle stickers for 2021-22 were due on vehicles registered in the City limits of Crystal Lake by July 16, 2021. The price for stickers increased after this date. Stickers may be purchased online, by mail, or by using the City's payment drop box. Options available for purchasing vehicle stickers are below.

1. **By Mail:** Return your renewal form and payment by mail using the self-addressed envelope provided with your preprinted form or by mailing your renewal form and payment to the City of Crystal Lake, Attn: Finance Department, 100 W. Woodstock Street, Crystal Lake, IL 60014.
2. **Payment Drop Box:** Return your renewal form and payment using the City's payment drop box that is located in the parking lot at City Hall.
3. **In-Person:** Bring your renewal form and payment to the Finance Department window in City Hall.

A valid sticker must be displayed on all vehicles registered in the City. Residents who do not receive a preprinted form will be required to show proof of ownership, i.e. Illinois registration showing current Crystal Lake address and a driver's license. Blank forms are available on the City's website at www.crystallake.org.

Senior citizens, age 65 and older (with proof of age), are able to purchase one vehicle sticker for $1.00 per person.

Residents are required to display a current City sticker on the lower passenger side of their front windshield. All funds generated from the sale of vehicle stickers are used in the City's street resurfacing and reconstruction program. Valid vehicle stickers also allow for free parking at the Three Oaks Recreation Area.

Please contact the Finance Department at 815-459-2020 or finance@crystallake.org if you have questions regarding vehicle stickers.

	7/16 to 9/30	10/1 to 5/31
Passenger/Trucks with B Plates	$15.00	$22.50
Motorcycle/Mopeds	$15.00	$22.50
RV Plates	$21.38	$32.07
Trucks with D Plates	$30.00	$45.00
All other	$45.00	$67.50

ADDRESS IDENTIFICATION

It is important that address identification numbers are properly displayed on your property. Address numbers are required to be a minimum of 4 inches tall and a ½-inch. The reflective numbers should be clearly visible from the street, day or night, and contrast with the surrounding background.

If placing numbers on a mailbox adjacent to the street, it is recommended that numbers be placed on both sides of the mailbox for ease of identification. Proper identification of your home or place of business helps Police and Fire Rescue first responders quickly locate your address in case of an emergency – when seconds count! Please take the time to make sure that your property has identification numbers attached that are visible from the street during the day and night.

ONLINE SERVICES: HOW DO I?

The City of Crystal Lake offers a variety of online services. The "How Do I?" Menu on the City's Home Page allows you to report traffic concerns and crimes, pay utility bills, apply for building permits, and more!

The "How Do I Menu", https://www.crystallake.org/how-do-i provides easy access for residents to the following online services:

- **Request or Report:**

The Citizen Support Center allows residents to submit requests for service, report property maintenance or traffic concerns, and request public records. Please visit https://www.crystallake.org/how-do-i/request-or-report to submit your questions or concerns to the City.

- **Pay For:**

Water and sewer utility bill payment can be made by visiting www.crystallake.org/yourgovernment/departments/finance/water-and-sewer-billing/payment-options. Utility bill payments can also be deposited in a payment box located in the parking lot at the City Hall, or by mail.

Vehicle Stickers can also be purchased online or via mail through the "How Do I?" menu. Information about garbage and recycling services through Prairieland Disposal can be found here as well. Accounts can be set up by contacting Prairieland Disposal at (847) 381-9300.

Parking Tickets can also be paid online at https://www.crystallake.org/your-government/departments/police/parking-services/parking-ticket-payments or via mail. Information regarding False Alarm Fine payments is also available through the "How Do I?" menu.

- **Applying For:**

The City of Crystal Lake offers an online portal for building permits, development applications and property maintenance information! This portal allows residents and contractors to move through the building permit, fire permit, and zoning petition process without leaving the comfort of their home or office. Ez APP is truly a one-stop-shop!

WHAT CAN YOU DO IN EZ APP?

- Both building and fire permits can be applied for, reviewed, paid for & issued and inspections can be requested, all online.
- Wondering if the work being done next door has a permit? Check through ez APP.
- Zoning or variation applications can be applied for, reviewed, and paid for online.
- Do you see a property maintenance issue? Submit the issue in ez APP for the City to investigate.
- The system will allow anyone to check if a property has a pending property maintenance complaint.

The City is pleased to offer an online process that is streamlined and convenient for residents, increases transparency, and reduces the amount of paper waste. Providing these services online opens City Hall 24/7 for more convenience and improved efficiency. Check out ez APP by visiting the City's website at https://www.crystallake.org/your-government/ezapp.

Applications and renewals for liquor licenses, commercial refuse licenses, and raffles can be processed through the City's online licensing portal Citizenserve. Please visit https://www.crystallake.org/your-government/departments/city-manager-s-office/licenses to submit your application or renewal online today.

Visit www.crystallake.org and click on the "How Do I ?" menu in the upper right corner of the Home Page to learn more.

ECONOMIC DEVELOPMENT CORNER

Mercyhealth Hospital Opening Summer 2023

Earlier this month, Mercyhealth hosted a ceremonial groundbreaking for its large multi-specialty clinic and hospital in Crystal Lake. The $105 million facility will be home to a hospital with private inpatient and intensive care suites, surgery suites, emergency care and diagnostic services, as well primary and specialty care physician offices. The Crystal Lake emergency department will be staffed 24/7 with board certified emergency physicians, and will be capable of treating and stabilizing the full range of conditions from chest pain and heart issues to head injuries, as well as more common emergencies such as broken bones, abdominal pain, lacerations and trouble breathing.

Sage YMCA Improvements

The Sage YMCA, located at 701 Manor Road, was the recipient of a grant for the creation of a new ¼ mile wooded walking trail and enhancements to the existing nine hole disc golf course.

STORMWATER TIPS: PROTECTING CRYSTAL LAKE

Crystal Lake, used by many for boating, fishing and recreational use is fed by groundwater. There are no streams or lakes to feed into it. It is an important and environmentally sensitive resource that requires vigilance to keep it a high quality lake. The area around Crystal Lake that drains to it is the called the "Crystal Lake Watershed". The City has special requirements that regulate development and land use in the watershed in order to protect the quality and quantity of water reaching the lake. To see if your home is in the watershed, visit www.crystallake.org and type "watershed" in the search bar.
