Aflac for City of Crystal Lake

Health insurance wasn't designed to cover everything. That's why there's Aflac. Aflac can help take care of what health insurance doesn't cover, so you and your employees can focus on caring for everything else.

Aflac supplemental benefits

Our product portfolio is as broad as your needs, with individual and group plans that help cover the expected – and unexpected – that's sure to come life's way.

Cancer/Specified-Disease: Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer occurs.

Hospital Confinement Indemnity: Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays by providing cash benefits.

Short-Term Disability: How would you pay your bills if you're disabled and can't work? An Aflac short-term disability insurance policy can help provide you with a source of income while you concentrate on getting better.

Accident: Accidents happen. When a covered accident happens to you, our accident insurance policy pays you cash benefits, unless assigned otherwise, to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

Critical Illness (Specified Health Event): An Aflac specified health event insurance policy is designed to help with the costs of treatment if you experience a covered health event.
