STRUCTURE FIRE – 9209 ARTHUR ST.

Crystal Lake, IL – The Crystal Lake Fire Rescue Department responded at 03:20AM to a reported structure fire at 9209 Arthur St. The McHenry County Sheriff's Office was the first to arrive on the scene and reported a small fire on the exterior of the residence and that the residents had evacuated the home. The first fire response vehicle arrived in 8 minutes and confirmed a fire on the interior of the house that had extended to an exterior wall. Fire crews entered the residence and extinguished the fire with a single hose-line. Fire, smoke and water damage was limited to a single room. The residence did not appear to have working smoke detectors.

There were no civilian, firefighter or police injuries during the incident.

Crews were assisted on the scene by the Algonquin/Lake In The Hills, Huntley, McHenry, Nunda and Woodstock Fire Protection Districts, along with the McHenry County Sheriff's Office

The cause of the fire is under investigation.
