Public Arts Commission
Agenda Supplement

Meeting Date: July 10, 2024

Item: Public Arts Commission Banner Design

Contact: Katie Rivard, Assistant City Planner

Background:

At the June 12th, 2024 Public Arts Commission meeting, the Commission expressed a desire to promote the Commission at various public events. An important component to promoting the Commission at public events is a banner with the Commission's name and tag-line. It was determined the banner should be vibrant and unique to catch people's attention. Member Michael Littrell created three (3) banner designs for review and discussion by the Commission.
