Who We Are

Background

The Crystal Lake City Youth Commission was founded in 2024. There are 7 Commissioners total. Commissioners Charlie Ann Benton, Jackson Lisle, Sunny Tomberlin, Alyssa (Theo) Johnston, Lauren Wolfe, and Leo Camasta have been working hard to help teens have a voice in our community, The Commission has a monthly public meeting to discuss this generation's challenges and opportunities.

Goals

Our goal is to help teens have voice in our community. We want to show that we can make a difference. We learn about what our community has to offer and help spread that knowledge to other teens in the area though school and Social Media.
