## Warning of Risk

The City of Crystal Lake is committed to conducting recreation programs, activities, and facilities in a safe manner and holds the safety of participants in high regard. The staff continually strives to reduce risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors using City equipment/facilities for recreational activity must recognize that there is an inherent risk of injury or death when choosing to participate in any recreational activity.

You are solely responsible for determining if you or your minor child/ward is physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult your physician before undertaking any physical activity.

Recreational activities are intended to challenge and engage in physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury or death when participating in a particular activity, and participants must understand that certain risks, dangers and injuries due to acts of God, inclement weather, slipping, falling, inadequate or defective equipment, failure in supervision, or instruction, poor skill level or conditioning, carelessness, horseplay, premises defects and all other circumstances inherent to indoor and outdoor recreational activities/programs exist.

## Waiver and Release of All Claims & Assumption of Risk

Please read this form carefully and be aware that, in consideration for participating in this activity, you will be waiving and releasing any and all claims you may have for injuries you or your minor child/ward might sustain as a result of participating in this activity and/or any activity associated with or connected with this activity and the use of the requested equipment.

I hereby fully and forever waive, release and relinquish any and all claims, demands and actions whatsoever that I may have or may accrue to me for any injury of any nature whatsoever, including death of my minor child/ward against the City of Crystal Lake, its officers, employees, volunteers and agents arising out of the use of said equipment or facilities and all activities in connection with the use of said equipment, including all lessons and classes.

I further guarantee to defend, indemnify and hold harmless the City of Crystal Lake against any and all liabilities, claims, damages, losses, costs and expenses resulting from injuries, damages and losses sustained by me or my minor child/ward and arising out of, connected with, or in any way associated with the use of the above equipment and all activities in connection with the use of said equipment, including all lessons and classes. The invalidity or unenforceability of any of the provisions hereof shall not affect the validity or enforceability of the remainder of this agreement.

**I have read and fully understand the important information above including warnings of risk, assumption of risk and waiver and release of all claims.**
