For Insureds age 70 and over, the Amount of Supplemental Life and Accidental Death and Dismemberment Insurance is subject to automatic reduction. Upon the Insured's attainment of the specified age below, the Amount of Supplemental Life and Accidental Death and Dismemberment Insurance will be reduced to the applicable percentage. This reduction also applies to Insureds who are age 70 or over on their Individual Effective Date.

Age	**Percentage of available or in force amount at age 69**

EFFECTIVE DATE OF DEPENDENT INSURANCE) will be at no expense to us.

The Spouse Amount of Insurance will reduce in the same manner as your Amount of Insurance upon your spouse's attainment of reducing ages.

CHANGES IN AMOUNT OF INSURANCE: Increases and decreases in the Amount of Insurance because of changes in age, class or earnings (if applicable) are effective on the date of the change.

With respect to increases in the Amount of Insurance, you must be Actively At Work on the date of the change. If you are not Actively At Work when the change should take effect, the change will take effect on the day after you have been Actively At Work for one full day. However, if you have the right to choose your amount of Supplemental insurance, proof of good health will be required when you change your selection to increase the amount of your Supplemental insurance. Such proof must be approved by us for the increase to take effect.

If an increase in, or initial application for, the Amount of Insurance is due to a life event change (such as marriage, birth or specific changes in employment status), proof of good health will not be required provided you apply within thirty-one (31) days of such life event.

CONTRIBUTIONS: You are required to contribute toward the cost of the Supplemental Insurance. It is applicable to you only if you elected Supplemental coverage and are paying the applicable premium. You are required to contribute toward the cost of Dependent Life Insurance.

GENERAL PROVISIONS

INCONTESTABILITY

Any statements made by you or any Insured Dependent, or on your behalf or any Insured Dependent's behalf to persuade us to provide coverage, will be deemed a representation, not a warranty. This provision limits our use of these statements in contesting the amount of insurance for which you are or any Insured Dependent is covered. The following rules apply to each statement:

(1) No statement will be used in a contest unless:

(a) it is in a written form signed by you or any Insured Dependent, or on your behalf or any Insured Dependent's behalf; and

(b) a copy of such written instrument is or has been furnished to you or any Insured Dependent, your or any Insured Dependent's beneficiary or legal representative.

(2) If the statement relates to your or any Insured Dependent's insurability, it will not be used to contest the validity of insurance which has been in force, before the contest, for at least two (2) years during your or an Insured Dependent's lifetime.

ASSIGNMENT

Ownership of any benefit provided under the Policy may be transferred by assignment. An irrevocable beneficiary must give written consent to assign this insurance. Written request for assignment must be made in duplicate at our Administrative Offices. Once recorded by us, an assignment will take effect on the date it was signed. We are not liable for any action we take before the assignment is recorded.

EFFECTIVE DATE AND TERMINATION

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: If the Policyholder pays the entire premium, your insurance will go into effect on the date stated on the Schedule of Benefits. If you pay a part of the premium, you must apply in writing for the insurance to go into effect. You will become insured on the later of:

(1) the Individual Effective Date stated on the Schedule of Benefits, if you apply on or before that date; or

(2) the date you apply, if you apply within thirty-one (31) days from the date you first met the eligibility requirements; or

(3) the date we approve any required proof of good health. We require proof of good health if you apply:

1. after thirty-one (31) days from the date you first become eligible; or
2. after you terminated this insurance but you remained in a class eligible for this insurance; or
3. for an Amount of Insurance greater than the Amount of Insurance shown on the Schedule of Benefits as not subject to our approval of a person's good health; or
4. for an Amount of Insurance greater than you were insured for under the prior group life insurance plan carrier, if applicable; or
5. after being eligible for coverage under a prior group life insurance plan for more than thirty-one (31) days but did not elect to be covered under that prior plan; or

(4) the date premium is remitted.

Changes in your amount of insurance are effective as shown on the Schedule of Benefits.

If you are not actively at work on the day your insurance is to go into effect, the insurance will go into effect on the day you return to active work for one full day.

TERMINATION OF INSURANCE: Your insurance will terminate on the first of the following to occur:

(1) the date the Policy terminates; or

(2) the date you cease to be in a class eligible for this insurance; or

(3) the end of the period for which premium has been paid for you; or

(4) the date you enter military service (not including Reserve or National Guard).

CONTINUATION OF INSURANCE: Your insurance may be continued by payment of premium beyond the date you cease to be eligible for this insurance, but not longer than:

(1) twelve (12) months, if due to illness or injury; or
(2) one (1) month, if due to temporary lay-off or approved leave of absence.

CONVERSION PRIVILEGE

You can use this privilege when your insurance is no longer in force. It has several parts. They are:

A. If the insurance ceases due to termination of employment or membership in any of the Policy's classes, an individual Life Insurance Policy may be issued. You are entitled to a policy without disability or supplemental benefits. You must make written application for the policy within thirty-one (31) days after you terminate. The first premium must also be paid within that time. The issuance of the policy is subject to the following conditions:

   (1) The policy will, at your option, be on any one of our forms, except for term life insurance. It will be the standard type issued by us for the age and amount applied for;

   (2) The policy issued will be for an amount not over what you had before you terminated;

   (3) The premium due for the policy will be at our usual rate. This rate will be based on the amount of insurance, class of risk and your age at date of policy issue; and

   (4) Proof of good health is not required.

B. If the insurance ceases due to the termination or amendment of the Policy, an individual Life Insurance Policy can be issued. You must have been insured for at least five (5) years under the Policy. The same rules as in A above will be used, except that the face amount will be the lesser of:

   (1) The amount of your Group Life benefit under the Policy. This amount will be less any amount you are entitled to under any group life policy issued by us or another insurance company; or

   (2) $10,000.

C. If the insurance reduces, as may be provided in the Policy, an individual Life Insurance Policy can be issued. The same rules as in A above will be used, except that the face amount will not be greater than the amount which ceased due to the reduction.

D. If you die during the time in which you are entitled to apply for an

individual policy, we will pay the benefit under the Group Policy that you were entitled to convert. This will be done whether or not you applied for the individual policy.

E. Any policy issued with respect to A, B or C above will be put in force at the end of the thirty-one (31) day period in which application must be made.

F. If you are entitled to have an individual policy issued to you without proof of health, then you must be given notice of this right at least fifteen (15) days before the end of the period specified above. Such notice must be: (1) in writing; and (2) presented or mailed to you by the Policyholder. If not, you will have an additional period in order to do so. This additional period will end fifteen (15) days after you are given notice. This period will not extend beyond sixty (60) days after the expiration date of the period provided above. This insurance will not be continued beyond the period provided above.

BENEFICIARY AND FACILITY OF PAYMENT

BENEFICIARY: The beneficiary will be as named in writing by you to receive benefits at your death. This beneficiary designation must be on file with us or the Plan Administrator and will be effective on the date you sign it. Any payment made by us before receiving the designation shall fully discharge us to the extent of that payment.

If you name more than one beneficiary to share the benefit, you must state the percentage of the benefit that is to be paid to each beneficiary. Otherwise, they will share the benefit equally.

The beneficiary's consent is not needed if you wish to change the designation. His/her consent is also not needed to make any changes in the Policy.

If the beneficiary dies at the same time as you, or within fifteen (15) days after your death but before we received written proof of your death, payment will be made as if you survived the beneficiary, unless noted otherwise.

If you have not named a beneficiary, or the named beneficiary is not surviving at your death, any benefits due shall be paid to the first of the following classes to survive you:

(1) your legal spouse;
(2) your surviving children (including legally adopted children), in equal shares;
(3) your surviving parents, in equal shares;
(4) your surviving siblings, in equal shares; or, if none of the above,
(5) your estate.

We will not be liable for any payment we have made in good faith.

FACILITY OF PAYMENT: If a beneficiary, in our opinion, cannot give a valid release (and no guardian has been appointed), we may pay the benefit to the person who has custody or is the main support of the beneficiary. Payment to a minor shall not exceed $1,000.

If you have not named a beneficiary, or the named beneficiary is not surviving at your death, we may pay up to $2,000 of the benefit to the person(s) who, in our opinion, have incurred expenses in connection with your last illness, death or burial.

The balance of the benefit, if any, will be held by us, until an individual or representative:

(1) is validly named; or
(2) is appointed to receive the proceeds; and
(3) can give valid release to us.

The benefit will be held with interest at a rate set by us.

We will not be liable for any payment we have made in good faith.

SETTLEMENT OPTIONS

You may elect a different way in which payment of the Amount of Insurance can be made. You must provide a written request to us, for our approval, at our Administrative Office. If the option covers less than the full amount due, we must be advised of what part is to be under an option. Amounts under $2,000 or option payments of less than $20.00 each are not eligible.

If no instructions for a settlement option are in effect at your death, the beneficiary may make the election, with our consent.

Settlement Options are described in the Policy.

WAIVER OF PREMIUM IN EVENT OF TOTAL DISABILITY

We will extend the Amount of Insurance during a period of Total Disability for one (1) year if:

(1) you become totally disabled prior to age 60;
(2) the Total Disability begins while you are insured;
(3) the Total Disability begins while the Policy is in force;
(4) the Total Disability lasts for at least 6 months;
(5) the premium continues to be paid; and
(6) we receive proof of Total Disability within one (1) year from the date it began.

After proof of Total Disability is approved by us, neither you or the Policyholder is required to pay premiums. Also, any premiums paid from the start of the Total Disability will be returned.

We will ask you to submit annual proof of continued Total Disability. The Amount of Insurance may then be extended for additional one (1) year periods. You may be required to be examined by a Physician approved by us as part of the proof. We will not require you to be examined more than once a year after the insurance has been extended two (2) full years.

The Amount of Insurance extended will be limited to the amount of supplemental group life coverage on your life that was in force at the time that Total Disability began excluding any additional benefits. This amount will not increase. This amount will reduce or cease at any time it would reduce or cease if you had not been totally disabled. If you die, we will be liable under this extension only if written proof of death is received by us.

The Amount of Insurance extended for you will cease on the earliest of:

(1) the date you no longer meet the definition of Total Disability; or
(2) the date you refuse to be examined; or
(3) the date you fail to furnish the required proof of Total Disability; or
(4) the date you become age 70; or
(5) the date you retire.

You may use the conversion privilege when this extension ceases. Please refer to the Conversion Privilege section for rules. You are not entitled to conversion if you return to work and are again eligible for the

insurance under the Policy. If you use the conversion privilege, benefits will not be payable under the Waiver of Premium in Event of Total Disability provision unless the converted policy is surrendered to us.

DEPENDENT LIFE INSURANCE

Nothing in this section will change or affect any of the terms of the Policy other than as specifically set out in this section. All the Policy provisions not in conflict with these provisions shall apply to this section.

When an Insured Dependent dies, we will pay the applicable benefit shown on the Schedule of Benefits to you. If you are deceased, then the benefit will be paid to your beneficiary. Only dependents who meet the definition of Dependents can be insured for this benefit.

A person may not have coverage both as an Insured Person and as a covered dependent. Only one eligible spouse may cover the eligible children as Insured Dependents. The spouse may be covered as a dependent if not covered as an Insured Person.

EFFECTIVE DATE OF DEPENDENT INSURANCE

If the Policyholder pays the entire premium, the insurance for a Dependent will become effective on the later of:

(1) the date you become eligible for Dependent Life Insurance; or

(2) the date the dependent meets the definition of Dependent.

If you pay a portion of the dependent premium, you may insure your dependents by making written application. In this case, the insurance for Dependents will take effect on the later of:

(1) the date you become eligible for Dependent Life Insurance; or

(2) the date the dependent meets the definition of Dependent, if application is made on or before that date; or

(3) the date of application, if application is made within thirty-one (31) days from the date the dependent first becomes eligible for this insurance; or

(4) the date we approve any required proof of good health. We require proof of good health if you make application for dependent insurance:

    (a) after thirty-one (31) days from the date the dependent first becomes eligible for this insurance; and

(b) after a prior termination of insurance as long as you remain in a class eligible for dependent insurance.

After this Insurance is in force for one dependent, application is not required for added dependents.

For dependents who are confined in a hospital or at home on the date on which they would otherwise become insured, insurance will be effective as of the date the confinement ends.

TERMINATION OF DEPENDENT LIFE INSURANCE

The insurance for an Insured Dependent will terminate on the first of the following dates:

(1) the date this Section terminates; or

(2) the date the dependent is no longer a Dependent as defined; or

(3) the end of the period for which premium has been paid by you or the Policyholder; or

(4) the date your insurance terminates; or

(5) the date you retire.

CONVERSION OF DEPENDENT LIFE INSURANCE

If the insurance of an Insured Dependent terminates because:

(1) you terminate employment or membership in the classes eligible for this insurance; or

(2) you die; or

(3) the dependent ceases to be eligible for this insurance;

then the dependent may convert his/her insurance to an individual policy. The conversion is subject to the following rules:

(1) a written application for the conversion policy must be received by us within thirty-one (31) days after the dependent's insurance terminates. The first premium must be sent in with the

application; and

(2) the premium due for the policy will be at our usual rates. This rate will be based on the amount of insurance, class of risk and the age of the dependent on the date the policy is issued; and

(3) the policy may be any life plan we currently issue, except term insurance; and

(4) proof of good health is not required; and

(5) the policy issued will be for an amount not over what the dependent had before termination under the Policy; and

(6) the policy issued will not have disability or supplemental benefits.

If the dependent's insurance ceases due to termination or amendment of the Policy, an individual policy can be issued. The dependent must have been insured for at least five (5) years under the Policy. The same rules as shown above will be used, except that the face amount will be the lesser of:

(1) the amount of dependent life insurance under the Policy. This amount will be less any amount of group life insurance the dependent receives or becomes eligible for within thirty-one (31) days after the Policy terminates; or

(2) $10,000.

If an Insured Dependent should die during the time in which he/she is entitled to apply for an individual policy, we will pay the benefit under the Group Policy that he/she was entitled to convert. This will be done whether or not the dependent applied for the individual policy, or the first premium was paid.

Any individual policy issued with respect to this section will be effective at the end of the thirty-one (31) day period in which application must be made.

If an Insured Dependent is entitled to have an individual policy issued to him/her without proof of health, then you must be given notice of this right at least fifteen (15) days before the end of the period specified above. Such notice must be: (1) in writing; and (2) presented or mailed to you by the Policyholder. If not, you will have an additional period in order to do so. This

additional period will end fifteen (15) days after you are given notice. This period will not extend beyond sixty (60) days after the expiration date of the period provided above. This insurance will not be continued beyond the period provided above.

NOTICE OF
PROTECTION PROVIDED BY
ILLINOIS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a **brief summary** description of the Illinois Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Illinois law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Illinois law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association per insolvency are:

- Life Insurance
  - $300,000 in death benefits
  - $100,000 in cash surrender or withdrawal values
- Health Insurance
  - $500,000 in hospital, medical and surgical insurance benefits*
  - $300,000 in disability insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits
- Annuities
  - $250,000 in withdrawal and cash values

*The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $300,000, except special rules apply with regard to hospital, medical and surgical insurance benefits for which the maximum amount of protection is $500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also residency requirements and other limitations under Illinois law.

To learn more about the above protections, as well as protections relating to

group contracts or retirement plans, please visit the Association's website at www.ilhiga.org or contact:

Disability Benefit Claims

In the case of a claim for disability benefits, the claimant shall be notified of the adverse benefit determination within a reasonable period of time, but not later than 45 days after our receipt of the claim. This period may be extended for up to 30 days, provided that it is determined that such an extension is necessary due to matters beyond our control and that notification is provided to the claimant, prior to the expiration of the initial 45-day period, of the circumstances requiring the extension of time and the date by which a decision is expected to be rendered. If, prior to the end of the first 30-day extension period, it is determined that, due to matters beyond our control, a decision cannot be rendered within that extension period, the period for making the determination may be extended for up to an additional 30 days, provided that the claimant is notified, prior to the expiration of the first 30-day extension period, of the circumstances requiring the extension and the date by which a decision is expected to be rendered. In the case of any such extension, the notice of extension shall specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues, and the claimant shall be afforded at least 45 days within which to provide the specified information.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing. In the event that a period of time is extended due to a claimant's failure to submit information necessary to decide a claim, the period for making the benefit determination shall be tolled from the date on which the notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.
